

**Remarks**

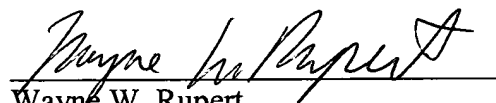

The restriction/election of species requirement mailed February 18, 2005, has been reviewed and carefully considered. Applicants hereby elect Group I in response to the restriction requirement. The requirement indicated that claims 1-11 and 20 belonged in Group I. Claims 12 and 21 have been amended to be dependent from claim 1. Hence, claims 12-19 and 21 also now belong in Group I. New claims 28-40 also belong in Group I. Applicants hereby elect the hemicalcium salt of the boronic acid of the formula  $\text{Cbz-(R)-Phe-(S)-Pro-(R)-Mpg-B(OH)}_2$  in response to the election of species requirement. The hemicalcium salt of  $\text{Cbz-(R)-Phe-(S)-Pro-(R)-Mpg-B(OH)}_2$  is described in the application, for example, on page 22, line 23, original claim 11 and page 92, lines 23-25. Claims 1-40 read upon the elected species.

Should there be any questions regarding this application, Examiner Cordero Garcia is invited to contact the undersigned attorney at the telephone number shown below.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
